

## Rayma C. Page Elementary Traffic Flow for Parent Pick-Up and Drop Off

North ←-----→ South  
 US 41 - Tamiami Trail

- **We strongly discourage parents from getting out of vehicles to pick up children.** There will be only 20 parking spaces for visitors in the North parking lot after school.
- If a parent insists on leaving his/her car, he/she will have to get into the parent pick up line to leave the premises in fairness to all cars that have waited.
- Cars will not be allowed to enter and line up in the parent pick up prior to 3:00.
- Cars will line up by the sign, "Parent Pick Up Starts Here."
- The only exit is through the gate next to the playground field.

Student waiting area
