An "A" School for Fourteen Years and Counting!

Excellence for All...Whatever It Takes!

Dear Parents,

Happy February! As you can see from our calendar, February promises to be packed with activities and events! We hope you take the opportunity to attend some of these events:)

Students have completed their PM-2 FAST testing and we are pleased with the results. Targeted intervention and tutoring is being scheduled for students in grades 3-5. Please contact your child's teacher to discuss the progress of your student!

In the coming days we will be installing the new Opengate system which is a weapons detection system at three entrances to the school. This system is another layer of safety for students and staff at Rayma. I will send out a school message informing you of the implementation date.

Interim Report cards will be available in FOCUS on Wednesday, February 7th. Make sure your FOCUS account is up to date so you can view your child's account for grades and assessments.

Have a wonderful rest of the month!
Regards,
Mrs. Sheckler

Policy Reminders

A reminder that early student sign-outs must be completed prior to 2:30 pm. Also, any transportation changes must be called in prior to 1:30 pm or written in your child's planner. Our dismissal policies are designed to ensure the safety of students as our dismissal process is quite intricate and any interruption in the process, late in the afternoon, causes a disruption to the process. Thank you for your attention to our dismissal policies.

Invention Convention

Thank you to all of our Invention Convention participants and judges! The projects were the best we have ever seen, and the judges had a very difficult time refraining from giving them all a perfect score! I hope we will have even more participation next year; it's never too early to start brainstorming!

The winners for the 2024 Invention Convention were:

1st Grade- Riley Frazee

2nd Grade- Owen Fox, Olivia Few, Connor Saintenoy, & Veer Kapadia

3rd Grade- Joseph Shore, Adam Fedoryshyn, Bryce Kowalski, & Lana Gonzalez

4th Grade- Emilia Ramirez-Zambrano, Livia Montiel, Medhansh Karveer, Lily Gard, Blake Kowalski, Ava Few, & William Parker

5th Grade- Joel Arizmendi, William Holland, Evan Curry, & Dilan Pammi

Congratulations to all of our winners!
Dr. Lampman & Mrs. Few

MISSION: The purpose of Rayma C. Page Elementary is to achieve excellence through setting high expectations and building a positive, safe environment that meets the needs of all learners.

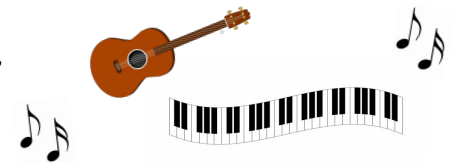

Music Notes with Mrs. Shore

In music class this month, we are continuing to grow our skills on ukulele and piano. On ukulele, the children are developing strumming techniques and working toward our first three chords! On piano, they are strengthening their fingers, gaining comfort with the layout of the piano and note identification, and learning improvisational skills. Of course, we also sing and dance each and every day!

Our fabulous choir will sing the National Anthem for the Everglades game at Spirit Night on Feb 24. Please join us!

~Mrs. Hillary Shore

Coach's Corner with Coach Morgan

FIELD DAY- Our annual field day will be on Wednesday, March 13th. Students will participate in fun games and activities with their individual grade levels. It is always SO MUCH FUN!!

There will be six-forty minute rotations. If you are able to volunteer for half or all of the day, please email Coach Morgan at christinelm@leeschools.net

Second Grade Martial Arts' Ceremony will be held on Thursday, February 22nd at Rayma C. Page Elementary. Please arrive at 5:30 pm and bring your child to the Media Center. You will enjoy this demonstration! Your students have been working so hard learning about physical fitness, nutrition, character, discipline and teamwork through the leadership of Master Guak and Master David at United Martial Arts.

GOALS- We encourage the students to set goals and work hard to achieve them. Through this process, they need accountability, encouragement and knowledge. Please talk with your child to set a goal for this month. Below are a few examples of skills they could learn that would benefit them throughout their lives and increase confidence:

1. Shoe tying
2. Bring a water bottle to school each day
3. Do the number of push ups to match their age
4. Eat 3-5 servings of fruits and vegetables every day

In Good Health,
Coach Morgan
