# KIDS WHO READ BEAT
SUMMER SLIDE

Studies show that access to books during the summer prevents a drastic loss in reading skill – especially for kids in need.

Students from low-income households with access to books

Students from high-income households with access to books

Students from low-income households without access to books

SOURCES: 1. Change in scores between end-of-year and following year testing as shown by the California Aptitude Test. (Slates, S. L., Alexander, K. L., Entwisle, D. R., & Olson, L. S. (2012). Counteracting summer slide: Social capital resources within socioeconomically disadvantaged families. Journal of Education for Students Placed at Risk, 17(3), 165.)
WHY SUMMER READING IS IMPORTANT

PREVENT "SUMMER SLIDE"
Children who don't read during the summer can lose up to two months of learning by the time they return to school in the fall.
BUILD A BRIDGE
Children who participate in Summer Reading Programs and read a minimum of six books over the summer score higher in reading AND math when they return to school.

Summer READING

Find A Book That is Right For You! https://fab.lexile.com/fab/fl/

Great resource for free summer reading. Free books, too!

Now you are able to access all of the apps and tools that are available at school.
Please note, students cannot take AR tests from home

Here are common apps used by students and teachers:

1. **BrainPOP** (3-5) and **BrainPOP Jr** (K-2) - All subject area lessons and games
2. **Compass Learning** - individualized learning across subject areas
3. **HMH (Fastt Math)** - Basic math games
4. **Khan Academy** - Web based student lead learning tool
5. **Overdrive** - Online library
